ABOUT US:

3h Solutions is a Dubai-based general trading company with an office located in Houston, Texas, USA which provides procurement & logistical support for our operations. We have provided support to corporations across Iraq, Afghanistan, Turkey, Uzbekistan and other countries in the Middle East & Africa.

Our trading activities cover a wide spectrum of commodities from electrical generators to steel fabrication. Our supply side also involves fulfilling the requirements for U.S. Army support operations and has earned placement on preferred suppliers' lists of several multinational Fortune 500 organizations.

We can be fulfilment partners providing the sourcing, supply as well as logistical support that your organization requires.

3h Solutions has the experience, strategic alliances & expertise to source any item, material, equipment required by your organization in the shortest possible time, at the best available rates.
